2. These Guidelines will be issued on September 5, 2017, after consultation with the Title I Parent Board of Governors ("PBG") and shall be effective immediately thereafter. E. Community members may attend and participate in any and all other Title I Parent & Family engagement activities conducted at their local school and supported by their local school’s Parent & Family engagement funds provided that their participation does not deprive any interested Title I parent of an opportunity to participate in those activities.

F. Community members may attend all other events and functions at their local schools that are open to the general public.

5. The Title I Local School Principal

A. The Principal shall convene the Annual Title I Informational Meeting after the school year begins and prior to October 1.

   ii. The Title I PAC Officers' Information Form
   iii. School PAC meeting agendas, sign-in sheets and approved minutes
   iv. Parent & Family Engagement Transfer of Funds Request Forms and revised Parent & Family Engagement Budget Plans

D. The Principal shall also approve and process requests of the School PAC (or Title I parents in the absence of a functioning PAC) for expenditures of Title I Parent & Family engagement funds. The principal shall approve and process such requests in accordance with the procedures established in Section III of these Guidelines to ensure compliance with all Federal, State and District requirements. The requirements include that such expenditures be "reasonable and necessary." In accordance with the requirements, Parent & Family engagement funds may, generally, be expended to support:

F. The Principal shall also process invoices for reasonable and necessary amounts submitted in a timely manner after approval of requests for professional services rendered to the Title I parents, including training in the following areas: Bilingual Education, Special Education, Technology and Literacy.

G. In the event that parents cannot come to a consensus in their recommendations for expenditures or their recommendations impact timely expenditures, the principal may petition the FACE2 Office

**Notes**

*Schools may not expend any Title I Parent & Family engagement funds unless and until the FACE2 Office confirms in writing that the school is in full compliance with all requirements concerning the conduct of the Annual Title I Parents' Meeting and the Annual Title I Parent Advisory Council Organizational Meeting.*

*Principals cannot unilaterally make decisions concerning expenditures or proposed expenditures of Title I Parent & Family engagement funds without input about said expenditures from the School's Title I PAC (or parents in the absence of a functioning PAC). The exception occurs when there is a dysfunctional PAC. Dysfunctional is defined as a PAC who does not meet consistently or who does not meet quorum (at minimum, 5 parents present). A principal must seek written approval from the FACE2 Title I District manager to make decisions concerning expenditures. If approval is granted, the principal must make reasonable efforts to inform parents of her expenditure decisions and invite*
them to provide feedback and advice. The expenditures must follow compliance protocols.

Schools may not use Title I School Funds or Title I Parent Funds to pay vendors to assist the school with their Title I Compliance. Principals must contact their FACE Manager or the Title I Manager in the FACE 2 Office if they require assistance with their Title I Compliance, including the annual parents' meeting, PAC organizational meeting, or PAC regular meetings.

All vendors must receive a Purchase Order from the school prior to rendering services to Title I parents. Vendors must render all services that schools contract for before receiving payment pursuant to a Purchase Order.

Principals must ensure that the Title I Parent Funds are used to train the parents on ways to support the academic achievement of their students.

6. The Local School Council

Local School Councils of Title I schools shall:

A. consider the recommendations of the School PAC on the Title I Schoolwide or Targeted Assistance Program and program expenditures, including expenditures of the funds allocated to support Parent & Family engagement, when approving the school's Continuous Improvement Work Plan and Budget;

B. consider and approve requests of the School PAC for transfers of previously allocated Parent & Family engagement funds to support Title I parents in participating in Parent & Family Engagement activities and training.

Note

At schools that are on probation, LSC approval of the allocation or re-allocation of Parent & Family engagement funds requested by the School Title I PAC or parents is not required. At such schools, the Principal shall submit all such requests to the Network Chief of Schools for approval. However, if feasible, the Principal shall first present all requests by the School Title I PAC for the allocation or re-allocation of Parent & Family engagement funds to the LSC and allow it an opportunity to provide input on the request, including voting on whether it should be approved or not. Any such vote shall be advisory to the Network Chief of Schools.
III. Expenditure of Parent & Family Engagement Funds

1. General Principles
The School PAC must vote in open PAC meetings and by majority votes of the members present to approve all expenditures of Title I Parent & Family engagement funds.

If approved by the School PAC, the Principal shall approve expenditures in accordance with the principles and requirements contained in Section III of this document.

2. Permissible Expenditures of Parent & Family Engagement Funds
A. Teacher/ESP Services
Funds may be expended to compensate teachers and ESP staff for services provided to the PAC or Title I parents. Accounts 51130 and 52130 are to be used for teacher/esp services.

B. Refreshments for Parent & Family Engagement Activities
Funds may be expended for refreshments at PAC Meetings and parent trainings and workshops in accordance with the following guidelines:

a. The total funds expended for refreshments for all Parent & Family engagement activities in a school year may not exceed 25% of the total Parent & Family engagement funds allocation for the school year

b. The total funds expended for refreshments for meetings, trainings and workshops, regardless of length may not exceed $5.00 multiplied by the number of anticipated attendees*
   i. *Estimates of anticipated attendees must be based on the past attendance of such activities.
   ii. activities.

Account 53205 is to be used:

c. to purchase refreshments through a purchase order from a Board vendor or with a school check from a non-Board vendor; or

d. to reimburse school staff members with a school check for purchasing refreshments with their personal funds.
C. **Software, Supplies and Postage** Funds **may** be expended to purchase software programs, supplies and postage to be used only by the School PAC or Title I parents. The funds for supplies **may** also be used to purchase books. All software and books must be educational in nature.

Account 53306 is to be used for software. Account 53405 is to be used for supplies. Account 53510 is to be used for postage.

D. **Furniture and Equipment** Funds **may** be expended to purchase office furniture or equipment to be used only by the School PAC or Title I parents and families. In addition, the school must have a parent room or other secure location reserved exclusively for use by the School PAC and/or Title I parents in which to place and store all furniture and equipment.

Account 55005 is to be used for the purchase of furniture and equipment.

E. **Fees** Funds **may** be expended for fees for registration for, and admission to, conferences and workshops and for subscriptions and memberships.

Account 54505 is to be used for fees.

F. **Reimbursement of Parents’ Expenses** Funds **may** be expended to reimburse parents for reasonable and necessary expenses incurred in participating in Title I Parent & Family engagement activities in accordance with the principles and requirements contained in the following section IV.

**Note**

*Section 1116 of Title I, Part A of the ESEA provides that school districts that receive Title I funds “may pay reasonable and necessary expenses associated with local Parent & Family engagement activities.” The use of the word “may” means that school districts are not required to pay, or reimburse parents for, such expenses. Consistent with the permissible nature of the payment of such expenses, the principal of a school, and, when appropriate, the Network Chief of Schools, have the authority to decide not to use Title I Parent & Family engagement funds to reimburse parents’ reasonable and necessary expenses in attending such activities.*
IV. Reimbursement

1. General Principles

Per Board of Education policies, schools may not provide cash advances to parents to defray any expenses incurred in attending Title I conferences, workshops or activities.

Consistent with any Federal, State, or CPS directives or policies addressing such attendance, Title I Parent & Family engagement funds may be used to reimburse parents’ reasonable and necessary expenses incurred in attending Title I conferences, workshops and activities. (See Note above.)

Parents and families are strongly encouraged to attend local or regionally based training opportunities, such as workshops or conferences, when they are the same or similar as those being held out-of-state. However, only parents and legal guardians are eligible to be reimbursed with Title I funds. Therefore, parents’ expenses incurred to attend out-of-state Title I conferences and workshops will be reimbursed only in “special cases”. “Special cases” will be the exception rather than the rule.

Parents must receive all required prior approvals from the school (i.e., PAC, Principal) before incurring any expenses to participate in Title I Parent & Family engagement activities.

Parents may not be reimbursed for the purchase of food items donated to a school for its Parent & Family engagement activities if the purchases were made with a LINK EBT card. Cash reimbursement of such purchases would be a violation of Federal law.

All reimbursements of parents' expenses incurred to participate in Title I Parent & Family engagement activities shall be paid from Account 54565. The total funds expended for parent reimbursements for all expenses while participating in Title I activities in a school year may not exceed 25% of a school’s total Parent & Family engagement funds allocation for the school year.

To adequately support a request for reimbursement, original expense receipts must be unaltered, legible and itemized. School shall retain all original receipts submitted in support of reimbursement requests.

The school principal and, when appropriate, the Network Chief of Schools, shall determine parents' entitlement to reimbursement of such expenses in accordance with the principles and requirements contained in this section IV.
The Principal has the authority to establish reasonable caps or limits on the amount(s) of reimbursement to which a parent may be entitled and other reasonable rules applicable to reimbursement. All decisions by the Principal concerning a parents’ entitlement to reimbursement shall be final.

Sections 3 and 4 below shall govern the specific expenses for parent travel which may be reimbursed with Title I Parent & Family engagement funds and the requirements to obtain such reimbursement. Under no circumstances shall expenses for any form of entertainment or any other activity for which Title I Parent & Family engagement funds may not be expended be reimbursable.

2. Childcare Reimbursement

Parents must complete the Childcare Reimbursement Form (see Appendix C) and must attach original receipts to receive a reimbursement for childcare expenses incurred to participate in a Title I Parent & Family engagement activity.

Childcare for attendance of out-of-town overnight conferences will be reimbursed at the flat rate of $50.00 per day per household.

Total childcare reimbursements cannot exceed $250.00 per household per month.

3. Conference Travel

A. Required Approvals

a. To receive reimbursement of expenses incurred in connection with overnight travel to attend Title I conferences and workshops, a parent must complete and submit to the school Principal:

   i. The Title I, Part A Parent Conference Travel Approval Form (see Appendix D); and
   ii. The Title I, Part A, Parent Overnight Travel Approval Form with the “Parent Responsibility” Section completed.

b. The parent must submit the forms in advance of the travel. Principals may set deadlines for submission of the forms in advance of the travel. If such deadlines are set, the Principal must communicate the deadline to all parents. Principals may otherwise decide if the forms are submitted in sufficient time to allow an informed decision whether to approve the travel by the Principal and the school’s Network Chief of Schools.

c. All overnight travel must be approved by the Principal and the school’s Network Chief of Schools whether it is required by a grant and
considered essential travel or not required by a grant and considered non-essential travel.

d. All requests for non-essential travel must include a detailed explanation of why the travel is critical to a core mission of CPS and the impact on the District if the travel is not authorized.

**Notes**

*Parents will be responsible for payment of any travel costs incurred prior to obtaining all necessary approvals if the travel was not authorized by the school. Schools will be responsible for payment of any parent travel costs incurred if the school authorized the travel prior to obtaining or providing all necessary approvals. Such costs shall be payable personally by the Principal or from the school's internal accounts. Neither Principals nor schools may be reimbursed for such costs through grant funds, including Title I and SGSA.*

*Payments to vendors must follow the purchase order procurement process. Schools will not be reimbursed through grant funds, including Title I and SGSA, for payments made to vendors through internal accounts.*

**B. Conference-Related Fees**

a. Conference-related fees will be reimbursable with adequate proof of conference attendance and original itemized receipts, where applicable.

b. If the conference sponsor is a CPS Vendor, parents must request payment of registration fees by the school with a purchase order. Parents should make every effort to receive the early registration discount, if available.

**C. Transportation**

a. **Common Carrier (Air, Train, Bus)**
   i. To take advantage of any available discount fares, all reservations and ticket purchases should be made as far in advance as possible.
   ii. Reimbursement will be for coach fares only.
   iii. Original itemized receipts are required.

b. **Ground Transportation (Taxis, Public Transport, Limousine Service)**
   i. Public transportation is encouraged.
   ii. Reimbursement will be for travel from the point of departure to the airport/station to the hotel and from the hotel to the airport/station to the point of arrival for the lowest cost means available.
   iii. Limousine service may be used if the cost is less than the cost of a taxi service or other means of transportation.
   iv. Reimbursement does not include gratuity.
v. Original itemized receipts are required.

c. **Use of Personal Vehicle**
   i. The rate of reimbursement will be the "per mile" rate set by the Internal Revenue Service. The current rate is available from the CPS Department of Purchasing.
   ii. "Per mile" reimbursement includes the cost of gas, oil, insurance, repairs and general maintenance.
   iii. Reimbursements will be paid exclusively to the owner of the vehicle unless any passengers who contribute to payment of costs incurred in the use of a private vehicle for transportation to a Title I parental involvement activity also seek reimbursement.
   iv. To be reimbursed for contributing to payment of costs incurred in the use of a private vehicle for transportation to a Title I Parent & Family engagement activity, passengers must present itemized original receipts.
   v. In the event that any passengers who contribute to payment of the costs incurred in the use of a private vehicle for transportation to Title I parental involvement activity are reimbursed for such contribution, the total reimbursement paid to the vehicle owner and any such passengers shall not exceed an amount equal to the "per mile" rate set by the Internal Revenue Service.

d. **Use of Rental Vehicle**
   i. Car rental is a reimbursable expense only when other modes of transportation are cost prohibitive, no other transportation is available or the ground transportation distance renders public transportation, taxi, or other mode of transportation impractical. Reimbursement will be for the midsize rental rate and upgrades are not reimbursable.
   ii. Original itemized receipts are required.
   iii. In the event that the vehicle will be used to transport a student other than the car renter’s child (ren), the Board’s Student Travel policy must be followed.

**D. Lodging**

a. Reimbursement will be for the cost of a standard single room rate only, unless a government, corporate, or conference discounted rate is available.
b. First class accommodations are prohibited unless standard accommodations are not available within acceptable distance from the business location.

c. Hotel lodging in the City of Chicago proper will not be reimbursed.

d. Original detailed itemized receipts are required.

E. Daily Rate for Meals

a. The daily rate allowance for attendance of a conference or meeting that takes between 4 to 8 hours will be $20.00 and up to a 15% gratuity.

b. The daily rate allowance for multi-day travel for a conference or meeting will be $35.00 and up to a 15% gratuity.

c. The purchase of alcoholic beverages will not be reimbursed.

d. Original itemized receipts are required.

F. Conference-Related Expense Reimbursement Procedures

a. Reimbursement under the Title I, Part A Program shall be denied for any expenses not approved in advance, that are not reasonable and necessary, or for which a Conference Travel Approval Form was not completed, signed and submitted.

b. Parents receiving reimbursement of conference/workshop-related expenses shall be required to submit within ten (10) days of completing travel:

i. original itemized receipts for all expenses for which they are seeking reimbursement to the school principal or designee (shall be a school employee); a written report and/or presentation on the conference, workshop or other Parent & Family engagement activity attended to the School PAC; and

ii. an agenda for the conference or workshop provided by the sponsor.

c. Absent a valid excuse, any parent failing to provide either the required documentation of expenses or report/presentation on the activity attended shall be ineligible for reimbursement of expenses to attend any future parental involvement activity for the remainder of the school year.
4. In-Town Travel
   A. General Principles
      a. The purpose of an in-town travel reimbursement is to compensate parents of children receiving Title I services for expenses incurred when using their personal vehicle, taxicab or public transportation to attend Title I parental involvement activities. "Exceptional circumstances" must exist to justify reimbursement of parents' expenses for in-town hotel stays. In no event, shall CPS employees be eligible for reimbursement of expenses for in-town hotel stays.
      
b. To be eligible for reimbursement of expenses for in-town travel to attend Parent & Family engagement activities, parents must reside 1.5 miles or more from the location of the activities.
      
c. The following factors will be considered in determining the reasonableness of in-town travel expenses:
         i. distance traveled;
         ii. need to transport materials;
         iii. when taxi service is used, whether usage of a personal car would have been possible and less expensive, taking into consideration the cost of gasoline and parking fees; and
         iv. any unique circumstances.
      
d. No reimbursement will be permitted for travel to attend entertainment events or events of a purely social or political nature.
   
   B. Use of Personal Vehicles
      a. The rate of reimbursement will be the “per mile” rate set by the Internal Revenue Service, which includes the cost of gas, oil, insurance, repairs and general maintenance. Current rates are available from the CPS Department of Purchasing.
      
b. Parking fees will be reimbursed for up to $25 per segment of a trip with original itemized receipts.
      
c. In the event that the vehicle will be used to transport a student other than the vehicle owner's child(ren), the Board’s Student Travel policy must be followed.
      
d. Reimbursements will be paid exclusively to the owner of the vehicle unless any passengers who contribute to payment of costs incurred in the use of a private vehicle for transportation to a Title I parental involvement activity also seek reimbursement.
e. To be reimbursed for contributing to payment of costs incurred in the use of a private vehicle for transportation to a Title I Parent & Family engagement activity, passengers must present itemized original receipts.
f. In the event that any passengers who contribute to payment of the costs incurred in the use of a private vehicle for transportation to Title I parental involvement activity are reimbursed for such contribution, the total reimbursement paid to the vehicle owner and any such passengers shall not exceed an amount equal to the "per mile" rate set by the Internal Revenue Service.

C. Use of Taxi Service

a. Reimbursement shall not include any gratuity.
b. Original itemized receipts are required.

D. Use of Public Transportation

a. The use of public transportation is encouraged and preferred.
b. The use of all-day or round-trip tickets or fares, if available, is also encouraged and preferred.
c. Unless it was not available at the entry point for the public transportation service utilized (CTA, RTA, METRA) or was otherwise unavailable, the rate of reimbursement will be the cost of an all-day or round-trip ticket or fare on the service utilized.

E. In-Town Travel Reimbursement Procedure

Parents must submit the In-Town Travel Reimbursement Form (with original itemized receipts attached) to the school principal or designee (shall be a school employee) within 10 days of the travel for which they are seeking reimbursement.
IV. Title I Parent Advisory Councils & Meetings

Note: Schools are prohibited from expending any Title I Parent & Family engagement funds until they conduct the Annual Title I Informational Meeting, the Title I PAC Organizational Meeting, and have received written notification. Unauthorized expenditures shall result in an audit exception and schools shall be required to reimburse the Title I Parent & Family engagement funds.

1. Eligibility for Participation

A. Parents of students receiving Title I services in a Schoolwide or Targeted Assistance Program may participate in all Parent & Family engagement activities at the Local School and Collaborative levels, including, but not limited, to the Local School Parent Advisory Council (“School PAC”) and the PAC/PLN Title I Parent meetings conducted by the FACE2 Office. Family that are directly involved in the students’ education are encouraged to participate but may not benefit directly from Title I funds.

B. Parents shall remain eligible for such participation as long as they remain the parent of a student who is enrolled in a CPS school and receiving Title I services. The term “enrolled” means “currently attending.”

C. All parents and family (who are directly involved in the child’s education) of such students of such students may vote on any matter considered by the School PAC. Parents must comprise the majority of members who vote on any matter considered by the School PAC.

D. Community members may attend all Title I PAC meetings and contribute. Community members may also vote on any matter considered by the School PAC provided that parents comprise the majority of voters.
